

David James Saxton

July 14, 1946 - February 7, 2021

Dave passed away on the afternoon of Super Bowl Sunday in Bloomington, Minnesota with his children by his side.

Born at Saint Mary's Hospital in Minneapolis, MN. He grew up with his three brothers Mel, Steve, and Scott on the west side of Bloomington, later deciding this would be his final resting place. Dave had a career in car sales and was also a very meticulous carpenter where he took much pride in his work. He assisted with remodels of his children's homes and his Mother's house in California while tending to her care. Retiring at a young age of 55, he wintered for several years in Ft. Meyers, Florida. He enjoyed fishing, singing, listening to music, and telling stories. Dave was a big Wild and Vikings fan. He cherished time with his family and delighted in lending a helping hand and sharing his knowledge.

Dave is survived by his Son Jeffrey (Hollie) and 3 Daughters, Noreen Hoge (Bob), Dawn Noard (Al), and Ashley Fay Wegener. Grandchildren, Kaja, Tyler, Courtney, Cassandra, Brittney, Jackson, Carter, Abby, and Great Granddaughter Dansley.

Preceded in death by his parents James and Norma, and brother Stephen. “ I’m so sorry to here this all of you. My fondest memory of Dave was when RHONDA and me solid if down a hill out back of the house when we were probably 12 and 13. It was Christmas Eve and Dave walked out to where we were sliding and told us to come in to the house because him and Karen had bought us a present. When we walked in there in the living room under the tree was the prettiest 7 ft taboggen with a big red bow on it. We were so excited that we never even took the bow off but went right out to slide down the hill. We were so proud of it when our friends would come over. I know they never had much money so it was pretty dang special. AND the nicest present there.
