“ *We are so sorry you were taken from us, much too soon. We will miss your witty comments and kindness. But most of all we will miss having you with us.*

“ *As Dave's older brother, I feel that I have the most memories of him. We were always together our entire life. We played on the same sports teams and we had all the same friends. We even dated two beautiful Columbia Heights girls that lived two blocks apart. They both became our wives. I will always love and miss you Bro, because I not only lost my brother, but also my best friend. RIP Dave.*
