“ *David Scribner was my room mate and dear friend in the 730th Air Force Band in McGuire AFB, New Jersey. That was in 1961-1962.*

*He was a brilliant musician and a wonderful human being. It was only recently that I heard that David had passed away to Heaven. Heaven will be a better and much more melodious place with David's playing his trumpet there. May God Rest His Soul*

*Blessings,
