“ My name is Michael Chies and at 16 years of age, I sold Tuck a Blue VW based Dune Buggy that I built in high school. It would have been around 1970. As I didn't have much money at the time, it was tough to part with this dune buggy. Now at the age of 62, I would very much like to locate that dunebuggy. IF anyone reading this site has any information about the Blue metal flake dunebuggy that Tuck had, I would like to find out more and see if I could track it down. Michael Chies, 651-260-5190 or mchies@aol.com THANK YOU IF YOU HAVE ANY INFORMATION

“ This is Lynn Beldo Kelly, formerly Lynn Beldo Linner. I was married to David Linner who died of cancer in 1981. Tuck and David were very close friends and Tuck was a pallbearer at David's funeral. I am so sorry to hear of your loss. I wish your family condolences. David's son Jonathon asked about Tuck, so I did the research and found he passed.
