July 20, 1926 - November 7, 2020

David E. Van Tassel, On November 7th David passed to go home to be with the Lord at the age of 94. He is survived by his loving wife Joan, his children Richard, Linda (KJ), John (Deb), Martha, Carol (Kim), 5 grandkids, and 10 great grandkids.

David served in WWII in the Navy Air Corps. After completing his tour of duty he attended Cornell University and received a degree in Electrical Engineering. After college, David worked for Cleveland Twist Drill for 42 years until he went out on his own with VT Sales David and Joan were married for three months short of 70 years. Their passions were their children and travel. They were blessed to have been able to travel the world together. David had the ability to “Engineer” most anything. From solar panels on the house in the late 1960’s to a bagel slicer, he never met a challenge that he couldn’t overcome.

A private family service will be held at a later date. In lieu of flowers please make donations to Minnetonka United Methodist Church
