“ So sorry to find that Dave has passed away. He was our neighbor in El Segundo. He was a genuine cool guy, easy to talk to, a good friend, and we were hoping to come visit him in San Jose. I will always remember how he and his dog Bosco were best friends. We really missed Dave and Bosco when they left El Segundo. Dave was a great soul and we miss him dearly.

Also, I receive a postcard notice from San Diego County that he has money to claim. Hopefully, a family member will see this: Need to claim it by SEPT 6TH at sdttc.com

“ I worked with Dave @Atmel. When I was new for Bay area in 2015, he helped me as an encyclopedic resource from searching for a house to providing driving direction(s). Not only that, he is very resourceful and brotherly friendly . Last time I met Dave was past Sept, for lunch @Specialty Café. He was cheerful, and forward looking in to the extended future. Fast forward , few months later, I just found out his passing. Surprised, Shocked, Saddened! Sorry Dave, You will be missed sincerely. Rest in peace!

“ I just heard the news, about Dave's untimely death. I met Dave originally when we both lived in Minneapolis, and he was with his former partner Danny. We all went backpacking one memorable week with Dan and Dave when they lived in San Diego, Then I came to find out decades later that he had a house just 20 minutes away from us, in Veneta, Oregon, which he was maintaining by coming up from Calif every month or 2, and doing yardwork there as he was keeping it fixed up for when he retired there someday. We would hang out and go for walks and long talks. I'll sure miss him. I hope he can somehow reconnect with Danny. Hmm, I do hope a good home was found for his dog. “ Dave's wit and humor will be sorely missed. His smile, his politics and his happy go lucky attitude will always be remembered. He worked in my organisation at Atmel for several years- I (and our team) had gotten to know him very well. His frankness, his friendliness and his love for family will always be remembered. We often talked about impending retirement and the joys of life. I was heffe grande or heffe gordo depending on his disposition. Rest in peace my friend!!
