“ *Kathy & Family,*
I am so sorry to hear about Dave, he always had a smile on his face and the devil in his eyes. I have been praying for you and your family since I heard of his illness. I lost my Jeffrey after 12 of battling cancer on May 11th and just lost my brother August 12th from pancreatic cancer. We have fought so long to get rid of this horrible disease and we will continue to fight. We have both lost the loves of our life. I truly understand what you are going through. You are a very strong woman and you will make it even though it seems impossible now. You will feel Dave's arms wrapped around you everyday and he will always be taking care of you from heaven. He is now your angel and is visiting with mine. My love and prayers will continue for you and the boys. Stay strong my friend.
Love,

We loved you much and will miss seeing you in the neighborhood. We had many great bible studies at Christ the King and you changed our lives in a positive way.
