“ I have the fondest memories of Dawn on our trip to New York to pick up our Silver Anvils for the award-winning "Citizens to Stop the Coal Trains" campaign. She was such a kind-hearted, hard-working team member. She is dearly missed. I'm sorry to have missed the memorial service and hope this message reaches family and loved ones. Cathryn Kennedy

“ We were nextdoor neighbors and played a lot. She always thought of others. Even when we had are moments.. she was always open to help to mend broken friendships among other friends.. I am so shocked to hear about this.. my thoughts and prayers with the family.. R.I.P. they have gained a special angle!! Miss you my friend!!

“ I grew up with Dawn. She was always happy and smiley. There was a group of us girls and she was a fun part of the group. RIP Dawn. Prayers and condolences to her family.

“ *Thank you for the fun, the laughter, and the love as we grew up together and shared a few adventures; family holidays, dinner with the ladies, plays, and the Polar Plunges in Eden Prairie. I will miss you dear cousin, but I will smile when I remember you because you brought so much light, enthusiasm, and joy to our world. Your presence was a gift I will always cherish. I love you!
