“ *Lots of memories and laughs with Dayton and Jim when we would come to Jims house. Lots of discussions and laughs about Daytons tooth, his room and his cars. Dayton love for books and music and his family were always part of the conversation. His love for his sister was apparent in how he spoke of her and the times they spent together on adventures. We will all meet again one day to continue with all the laughs and good times. Love to Lisa, Mike and Ally and the Ewer/Marshall families. Tracy and Tim*

“ I met Dayton once at my daughter Tippys, we were all sitting outside , beautiful day! The only people I remember there is Tippy, Kayla and Lily, Dayton and Andrew....I remember listening when Dayton talked, he had the most sweetest voice and he seemed so comfortable about himself then, it's so sad he's gone, my heart goes out to all of his friends who loved him so deeply
