“ *Dean I'm glad I got to know you for the last 13 years. You taught me how to fish including the preparation and cooking them, made me laugh, made me smile on how you adored your wife, kids and grandkids. You were tough and a had three biggest heart simultaneously. You will be greatly missed!*

“ Dad, I love you SO much! Always have, and always will! You were my rock, my voice when I didn't have one. I needed my tough dad! Thank you for being the best you could be! You only ever told the truth, no matter how it came out. I will miss that so much. You were my my teacher, my laughs, my love for animals. Even my frustration and anger. You taught me so much through trapping, hunting, fishing, etc. You taught me to be STRONG, loving, and empathetic for all creatures. You showed me what a dedicated, loving husband was. You showed me not to ever ever ever give up on anything. Ever. When Taryn was born, I saw your eyes light up. You were so happy to be a grandpa!!! Same with Leah, Micah and Hannah. You loved them so much. And I know you still do, dad. And they miss you and love you like CRAZY!!!!!!!!!! You were the best grandpa they could have ever asked for. I love you, daddy. SOOOO MUCH!!!!!! See ya later! Love, Sparky. Xoxo!!
