“ Dear Karen and family, so sorry for your loss. Loved talking to Dean whenever he visited with mom and dad. Will never forget when he got on one of dad's big John Deere tractors, showing your girls the cows and of course enjoying the Minnesota Twins at Mom's Birthday Party at Target Field. He was loved and will be missed. Jean and Tom Herrmann from SD

“ To all the Landree's, my most sincere sympathies on the loss of Dean, he was quite the guy! A great friend. We spent countless hours in Dean's garage, consuming more cups of coffee than can be counted, discussing the world's problems and the solutions for peace in the world-nobody ever listened!  
I'll miss you Dean, but if the Lord needs a good man to straighten things out, he's got him. Keep the coffee pot hot and we'll meet again in Heaven.  
Love 'ya buddy,

“ I grieve with my Aunt Karen, his beautiful daughters and their families as they remember Dean’s life. I’m so very sorry for your loss and I will be there with you in spirit as you celebrate his life and send him lovingly to rest at Fort Snelling.

*I have lots of memories of my Uncle Dean. He brought laughter and love into the lives of our family. His faith was on full display when he and my Aunt Karen visited and prayed at the bedside of my father Vincent weekly when he was in hospice. He loved my mom, his “big sistu” La Verne as he called her. She was 13 years older and helped my grandmother take care of him. When my brothers Stephen and Kevin were little they idolized Uncle Dean. He was tall and strong and handsome in his Navy uniform. He bought them their own little sailor suits and they stood tall and proud next to him. He was my dear Uncle Dean who always had a smile and a hug and kiss for me and for his kindness and love I will always be grateful. He is now at rest with my mom, dad and both of my brothers. I’m sure they welcomed him with open arms and are sharing lots of love and stories. Rest In Peace Dean. You will always be remembered.*

*Loving respect from your grateful niece,  
Theresa*
