“ I just happened to read the Tribune on Tuesday and read of Dean's passing. My Mom loved her cousin Dean. She is in the nursing home near me in Grand Marais. Even though she has Alzheimers she shared fond memories of Dean. When I asked her what she remembered about Dean, she said, "We fought all the time when we were little, BUT, we loved each other deeply!" Lois, our hearts go out to you. May God give you peace in the journey.

Thank you Larry. My dad and mom love your mom. I remember when I was little and you and your mom came to our house too. I will pass this on to my mom. She will be thrilled to hear your message. I will also give her your address. I would love to bring mom to visit. God bless you and hugs and prayers for your mom.  
Love, Pam(Modig)Donley
