“ I remember an uncle who loved the Lord, liked gardening, fishing, hitting the local watering hole, taking risks, playing the piano/singing, and cracking jokes! De' also seemed to be anxious to get to the next place and appeared to worry a lot, but now I know that he is at peace in glory, his final destination! See you soon!

He became a Realtor and eventually a Broker and his efforts resulted in trips to Canada, Mexico, and Florida for Christmas several years
