Hidden Valley Park

Debbie enjoyed fishing and loved to go boating with her husband Jeff in northern Wisconsin. In the summer she grew vegetables and flowers outside in the garden. Cooking Christmas eve and holiday dinners were her specialty. Home made comfort food and her famous coleslaw always stole the show! Her family and friends gathered at their home for special celebrations. She leaves behind her beloved dog Barney, who already misses her very much! Debbie left us way to early and those around her are deeply affected. We will always have her in our hearts and know she is in heaven.

In lieu of flowers.. a small plant would be preferred by the family and could be planted during the summertime in Debbie's remembrance.
