“ My deepest condolences to her Children and Family Members. Cookie as I affectionately knew her was a kind and gentle person with a heart of gold. We both worked in the insurance industry and shared lots of knowledge and funny stories about our daily routines. Over the years, we also shared a desire to be great bowlers, which neither of us achieved but had fun trying. I will miss you my dear friend! Rest now until we meet again. Idella Ann Parker

My condolences to Deborah's children family friends. I shared time with Debbie as her roommate for some time. She was an awesome roommate and friend so kind and generous to others and to me most of all. I was hoping she would have gotten much better and left the facility she was receiving care in so sorry to read that she didn't. She definitely left us all too soon . I list a friend that I was hoping to spend more time with her in life. Heaven has got another Angel she was so sweet unconditionally love.

May you rest in Heavenly Peace friend.
