March 22, 1953 - June 16, 2021

Debra Campbell Potter, age 68 of Eden Prairie, passed away on June 16, 2021. She was preceded in death by parents Raymond W. Campbell, Jr. and Margery S. Miller, and brother Scott D. Campbell. She is survived by husband, Ken, and daughter, McKenna Campbell-Potter. Deb was born and raised in Red Wing, MN, and graduated from Red Wing High school in 1971. She attended Luther College, graduating with a BA in Math and History in 1975. Luther is where she met her husband Ken, and they married in 1977. Deb worked for many years in the banking industry at F&M Savings Bank and Marquette National. She later had her own consulting business, and finished her career as a project manager at Data Recognition Corporation.

Deb's greatest joy was her daughter McKenna, born in June of 1994. She was always active in McKenna's life including as a dance mom, Girl Scout leader, and school volunteer. Her other interests included scrapbooking and related outings, book club group, vacationing at Cragun's and on the North Shore, cooking, and celebrating all holidays. She also loved following along with and sharing about all of McKenna and Ken's adventures. We feel so fortunate Deb and Ken were able to spend her last week with McKenna at her home in Connecticut. She was deeply loved and will be greatly missed. In lieu of flowers, memorial preferred to Shriners Hospitals for Children. “ Dear Ken and McKenna,
Sending my sympathies as you mourn Deb's passing. As a Luther classmate, I have good memories of her intelligence and genuine interest in people. We had the opportunity for conversation a number of years ago, catching up on our career paths. May you be comforted with the good memories she leaves you. Mona (Feller) Nelson

“ I'm so sorry to hear of Deb's death. She had such a beautiful smile. I will miss her newsy Christmas letters. She was so proud of McKenna and it was so fun to be able to share McKenna's acknowledgements with her. Our prayers are with your family, Ken and McKenna. Your cousin, Jean Ann and Mike
