“ As Bottineau classmates, we rekindled a friendship through Facebook where I saw that she'd kept her great sense of humor. She was especially caring this year as I went through the death of my sister. She knew the pain of losing someone close, and was so supportive. She will be missed by many because she took the time to be a friend to so many. An old soul, gone from the earth too soon.

“ Sending our love and sympathy to all of Debbie's family. She was an amazing woman who I always loved talking to and laughing with. I'll miss her and all the times I was around her and Katie with their affectionate form of bickering! Debbie loved her family fiercely and was usually the first to comment on facebook on her kids & grandchildren's photos. The only thing that brings some comfort is knowing she is reunited with the love of her life. I'm sure Ron was waiting with open arms to embrace her.

“ Debbie.....I have so very much enjoyed connecting with you on Facebook and our almost daily "likes" and "comments". I remember your dimpled smile and joyful laugh from high-school days. To your family: my thoughts have been with you all daily. Sending you peace and healing vibes.

“ *Debbie was one of the sweetest people I knew.*

What I loved about Debbie is she was Fiesty. I will miss our conversations, her beautiful smile and infectious laugh.

Taken to early.

She is in heaven and wrapped in Ron's arms.
