

Debra Kay Zabloski

February 7, 1955 - April 24, 2021

Zabloski, Debra Kay left us unexpectedly with broken hearts on Saturday April 24th. She was the lighthouse of the family with her honest advice, excitement for adventure, passion for sports, and love of core family values. Deb was born on Feb. 7th, 1955 and preceded in death by her parents Bernard and Lucille Elvendahl. Debbie recently retired from Delta after 40 years of dedicated service in the airline industry. She found true happiness in life watching her family grow, a trip to the lake, happy hour for a bite, and exciting events with family and friends. Beloved Grandma, she was so proud of her 9 beautiful grandchildren. She succeeded in making a personal quilt for each one of her grandkids in her recent years as a quilter. She loved to attend baseball and hockey games, robotics and dance recitals. A gal up for adventure, she loved to travel near and far. She also enjoyed a good book and reading the latest newspaper out on her deck. Family was her priority. The "glue" of the family she brought all of her siblings, children, grandchildren, (great) nieces and nephews together. The Lord has called our Mom home much sooner than we ever imagined. Until we meet again, we find comfort knowing that she is in the arms of Jesus and reunited with her mom in heaven. Survived by her daughter Kylene (Scott) Simkins, Sons Nick (Stephanie), Zach, and Eli Zabloski. Grandchildren Marlow, Nolan, Olivia, Rollie, Hermina, Colin, Juniper, Norah and Mitchell. Siblings Bernie and Larry Elvendahl, Pam (Mike) Zimmer, and Lorie Gleason and many nieces and nephews. Funeral Service Thursday 5/6 10:30 am at Trinity Lutheran 5212

41st Ave. S. Visitation Wednesday 5/5 4-7pm at Washburn McReavy

“ I am so sorry to hear of the passing of your mom Deb. I worked with her for many years at the airport and she was fun to work with. She was very proud of her children and was always sharing fun stories. Family meant everyone to her. She will be dearly missed by all.

Such a comfort to hear about her working family and memories of Deb . The 'sea' of Delta family that showed up for Deb's visitation and funeral was such a blessing - heart warming.

“ I had the privilege of working alongside Deb for the better part of 15 years at NWA/DELTA. She was always up for friendly conversations and a joy to be with I enjoyed her quick wit- and if I ever needed advice with finance or insurance- she was the one to call!! I never was able to say "goodbye " when so many left Delta early last year. Deb and I had made tentative plans last year that were moved to June of this year. How I wish we could get time back. Your family was very lucky to have had Deb as your sister, Mother and Grandmother- she was very dear, wonderful lady. I miss going for coffee with her in the morning~ she had an awesome laugh, and she would shut me down when I talked to her about the Chicago Cubs! She was a diehard Twins fan! Her legacy is left in her family and oh how she loved you all. Keep her memories alive for the Grandchildren ~
I wish you peace and love in your healing~
