“ *I am saddened. I love Deena Marie dearly and have already missed her for years but have tried keeping in touch down here in Arizona. I know Deena's challenges in life much like my own. She will always be in my heart and memory. I love you Deena Marie and will see you again - I know this...*

“ Deena was my "cell mate" in Study Hall at Armstrong high school. We'd conspire our "escape" daily, not to mention we drove the teachers crazy with our constant note-passing and giggling!! Rest in peace, my friend. My sincerest condolences to Deena's family.

“ *Man, it has been a hard couple of weeks. Tomorrow is going to suck. So many things we had talked about... That is okay though because I know when we are together again you and I can make better memories than the ones we had. I will see you soon Deena. I love you and thanks for being one of my rocks. I only hope at times you thought the same. I love you =)*
