“ I can't think of my Aunt Delores without remembering Pam. I enjoyed an overnight visit with them and she came to our wedding in 1972. The last time I saw my Aunt was when she visited my Dad failing with cancer and she seemed like a picture of health 2002. Growing up her and my Dad were only two years apart, I wish I could find photos of the two of them, they would have been so precious together. I know she was an example of how to live healthy and to the fullest - exactly like my Dad but cancer changed that for 4 of 5 siblings. We will think of you all Tues back in MN and want to send out condolences and would like to give you all a virtual hug. Love,

“ I have so many wonderful memories with Dee. After all, she was my mother-in-law; I was married to Dwight and we shared joy and laughter as a family. Rest in the arms of our Jesus and give Curt a big hug from his swedish daughter-in-law. With so much love ~

“ I remember my Aunt Dee as beautiful, spirited teen! She was only 11 years older than me. I remember attending high school with her and her friend Dagmar in her last week of school as a Senior! I thought that was the coolest thing EVER. I remember playing croquet with Dee and some friends, and picking crab apples from the "old crab apple tree!" I remember being in charge of the guest book at Dee's wedding, and me being SLIGHTLY (?) jealous that sister Janet got to be in the wedding party! Above all I remember her unique voice!

“ I have such lovely memories of Aunt Dee and Uncle Curt, Dwight, Pam and Dwayne visiting us on the farm once a year! I would get so excited I would hardly sleep the night before their arrival! she had such a graceful way of talking, and and I loved her hugs! She was so beautiful, inside and out! Our family, mom, dad, Harlan Steve and I visited them, a few times--I remember the house in Richfield and of course Over!look Drive! Duane, Carrie and I also visited Curt and Dee, And we were able to share our memories and sympathy with the family after Uncle Curt died. Delores and I chatted a lot on the telephone, as we shared a common medical issue. Aunt Dee had the gift to gab--a great gift, always keeping the conversation going in a positive manner. Aunt Dee was such a ray of Sunshine. I will always hold her memory in my heart!

“ I knew Dee at CrossPoint church. We had many wonderful conversations about our lives together, walking with Jesus. Her heart was always thinking of people who don't know Jesus, at home and around the world.
I'm thankful for her family who lovingly cared for her during her last years.
My emotional heart is sad, but I'm so happy that precious Dee is rejoicing in Heaven with Jesus along with loved ones who have gone ahead of her.
May we all know God's peace and comfort in these difficult days.
With my love and prayers,

I was always excited to be around Delores. Loved her laugh and always an easy smile. Loved how she talked and that cute way she did it. She fascinated me. Dad loved her and she loved him. Feel for the family she left behind. Wish we could keep in touch with our cousins.
