

Delores Jean Fischer

October 8, 1928 - March 11, 2023

Delores Jean (Lolly) Fischer

Our wonderful Mom, age 94, of Bloomington, passed away at home on March 11, 2023. Preceded in death by her husband Marcell (Joe); sons Frank Marino and Bruce Fischer; daughters Linda Ward and Susan Nowack; granddaughters Amy and Jodi; brothers Clifford, Donald, and Richard, sisters Sylvia and Charlotte and dearest friends Lillian Kopel, Imogene Ames, and Mary Cleary.

Survived by children Trudy (Dave) Affolter, Theresa (Bob) Grad, Barbara (Loran) Olson, Mary Fischer, Bonnie Fischer (Tom), Kay (Ken) Stone, MANY adoring Grandchildren, Great-Grandchildren, Great-Great-Grandchildren, Nieces, and Nephews.

Lolly LOVED to cook. You never had a visit that didn't include food. And you never left empty-handed, even if it was just a piece of garlic toast slathered with butter. She was kind-hearted, hilariously fierce, a storyteller, a caregiver, a role model, and a best friend. So FULL of the sass, a self-proclaimed, not-to-be-argued-with genius. A singer of lullabies; nurturing, wise, and helpful, with such a calmness about her. The matriarch, she loved unconditionally, was sweet but tough, tenacious, strong, inspiring, giving, and reliable. She was everything good all in one person.

Like the song says: she was "simply the best."

Private interment at Fort Snelling National Cemetery.

“ Miss her every single day💔 I miss endless conversations about cooking, the garden, the kids...just everything. I don't know how we NEVER ran out of things to talk about-even though we talked for hours everyday. Every day practically I find myself realizing I'm doing something I learned from her and other times I feel like I didn't absorb quite enough. I'll never stop missing her.

“ Sorry I missed the service. I'm elderly and my note with the date got buried.

“ I miss you Mom. You were the strongest and most caring person I have ever known. You worked hard and loved to dance and sing. You had so many responsibilities throughout your life. You always seemed to figure out how to move forward. I don't know how you were able to spread the love the way you did. You were a professional cook for Snyders and the Lincoln Dell and others. You were the best Mother that I could have asked for. You were the best one for me. I will miss you until the day I die and i can see you again. I ❤️ you Mom.

“ Lolly and Joe and my mama and daddy, Dolores and Dick DeWolf were the dearest of friends. Even when we moved to Texas they all stated in contact and we visited each other. I have such wonderful memories of our families getting together, laughing, eating and occasionally us kids getting into trouble. Mama and daddy passed away several years ago and all were to ill at the end of their lives to visit or even talk with Lolly. Sweet dreams Lolly, you are part of my favorite memories of living and visiting Bloomington. Love the DeWolf Girls! 🥰

PS

*A message to my second Mom.....you have always been considered as my second Mom since I was 10 years old (I'm now 74). It's hard for me to say good-bye but I know you're in heaven and I picture my Mom, Mary, and you enjoying a cup of coffee and one of your specialty treat recipes (you had many that you made and they were always delicious) discussing many, many different topics. You were a great friend to my Mom and I know both of you will continue to watch over all your children, collectively, and be there to hear us when we need to talk to you. Rest in peace and I love you and truly miss you,
