“ You were an amazing woman! Your strength and independence have helped me become the woman I am today! I will forever miss our hour(s) long conversations over the phone! The memories you shared with me will be forever instilled in my heart. You left me at a time where I needed you more than ever. I now know you are up in Heaven helping me and guiding me. Please continue to protect and watch over me, Ashley and Alex! Until I see you and my dad again... Love you always and forever!?”
