“ *Delores,
I was lost when I moved next door to you. It didn't take long to know that God put me right where I belonged, next to an angel. Your warmth, kindness, joy, sense of humor, patience during our long talks, spirit, sweet smile, generosity, grace, compassion and very dear friendship changed my life. I will forever be a happier person because of you!
Thank you Delores, I miss you and love you dearly.
