To Delores' children,

I want to thank you for sharing your mom with my sisters and I and our children. She made an imprint on all of our lives.

I was very grateful for the love Delores showed my Dad, Erwin and the family she brought to him. I'm glad they built the life they did together and it brought me much peace to see it. Your mom was always kind, loving, caring and so hospitable.

When my kids and I would come for our visits, she always had a pot of coffee brewing and a plate of cookies :). We would all sit at the kitchen table for hours just catching up on everyone and everything. I will cherish those memories and so will my kids.

Thank you again for sharing her with us - she was a true gem with a kind heart.

*Love,
Lisa Morin*
