“ My sympathy goes out to the families and friends of Denise's. She was a very loving, caring and sweet person. I have some silly memories of her & I when we were young. She was always smiling and laughing. A very possitive person with so much love in her heart. She will be missed by all. But will live on forever in our hearts and minds. Love and hugs to the Dolizer family. Denise is truely and angel.

“ Bob, Shanna, Chrissy and Robby and all the extended family - Nise will be missed by anyone who has ever met her, she was the most wonderful/positive person and had a smile as big as the whole outdoors. I remember when you kids were born and holding each and everyone of you. When I heard Robby was on his way, I remember telling Nise I didn't want any boys :) However just after Robby was born, he was put in my arms to hold and it didn't matter that he was a boy. I luv all of you and will always be there for you. PS you each have so much of your mother in you and that should comfort you during this difficult time. Know that you are in are thoughts and prayers. Rick and Donna
