

Dennis William Becker

November 18, 1932 - November 3, 2025

Bloomington - Dennis (Denny) William Becker of Bloomington, Minnesota, passed away peacefully just two weeks shy of his 93rd birthday. He was born on November 18, 1932, in Minneapolis, MN, to Florence and Dale Becker.

Denny grew up alongside his beloved siblings, Betty Nelson and Dale (Dick) Becker. In June 1957, he married the love of his life, Dorothy Andersen, and together they raised three sons: Bradley Becker, John (Denise) Becker, and Jim (Brenda) Becker. Denny was a proud grandfather to five grandchildren - Mackenzie, Nicole, Reed, Katy, and Luke - who brought him immense joy, as well as three great-grandchildren who continued to brighten his days.

Denny was a proud U.S. Marine, and a dedicated member of the Minnehaha Masonic Lodge #165. Denny built lifelong friendships through his 34-year career at Washington Scientific Industries and 12 years at Air Plus Limited. He was preceded in death by his parents, Florence and Dale Becker; sister, Betty Nelson; wife, Dorothy Becker; and son, Bradley Becker.

Denny moved through life with a steadfast belief that everyone should be treated with kindness—a value that defined him and was endearing to all who knew him. Denny loved being surrounded by people, serving the Lord and his community through his church and outreach programs. He found great joy in playing golf with his sons and grandsons, enjoying Bocce Ball with the "Born Again Jocks," and sharing his love of music, theater, and classic performers like Dean Martin, Johnny Mathis, and Andy Williams. In his later years, he loved traveling with his special friend Barbara Felker. Denny brought joy to

those around him every day of his life, right up to his final moments. The family would like to express their deepest gratitude to the staff at Amira Choice Bloomington, Memory Care, and to Hospice of the Midwest for their compassionate care and support during this hard time.

A private family service and burial will be held at Washburn-McReavy Dawn Valley Chapel in honor of Dennis. In lieu of gifts, the family kindly requests donations be made to Hospice of the Midwest in his memory. Denny's kindness, faith, and laughter will live on in all who were blessed to know and love him. Memorial donations may be made to Hospice of the Midwest, 6600 France Ave S #210, Edina, MN 55435, www.hospiceofthemidwest.com/donate/

“ *My mom Doris Becker Van Guilder was one of Denny's cousins. I met Denny at my cousin Brad's (Alfred's son) funeral. Had a wonderful conversation and learned more about my Becker family. My brother Dale (died in 2020) was named after Denny's father. Please accept my heartfelt sympathy to each and everyone of you. Geri Haugen Broome Minnetonka, Mn*

“ *A favorite uncle! I remember visiting and talking on the phone when he was writing his life story. He was so grateful when I provided old pictures and information. It was actually I who was blessed. Thank you also for remembering my dad and me for many Holidays!*

“ My friends from the Jefferson class of 1981 had one significant thing in common; a father who had strong values, who we could look up to, who believed in us, who held us accountable and who taught us how to be a men. That was Denny Becker to a tee.

I remember playing first base for a team Denny coached when I was about in 4th grade and he praised me like I had just won the world series. Albeit, it was a very athletic play....but I still remember that to this day. He made me feel great about myself.

Denny was one of us whether playing a game of golf or just catching up which is why I felt so fortunate to see him last spring when I was in town. He always put a smile on my face and would laugh at my bad jokes. He was a man's man and a man of faith.

Rest in peace Denny!
