Beyer, Dennis "Denny" age 69, passed away unexpectedly in his Andover, MN home on Saturday, February 19, 2022 of natural causes. Denny worked hard to provide well for his family and was enjoying retirement spending time with friends, working in his yard, and playing with his three cats. Denny was preceded in death by his wife, Lori; sister, Sandy; parents, Everett and Vivian. He is survived by his sons, Marshall (Jennifer) and Michael (Molly); granddaughter, Lorelei; sister, Dianna (Miguel); nephew, James, and niece Analise. In lieu of flowers, the family asks for donations in Denny's name to your local animal rescue to support the animals he loved or a flower donation to your local nursing home to help make someone smile. A memorial will be held in the spring when we can celebrate Corvette drivin' and lawn tractor ridin' - two of Denny's favorite things. For details, please reach directly to the family or send contact information to rememberingdenny@gmail.com. Memorial date to be announced. Denny and Lori will be released together Spring 2023 in Florida, a place they loved, on what would have been their 51st wedding anniversary. Washburn-McReavy.com Coon Rapids Chapel 763-767-1000
