“ *When I recieved notice that Uncle Denny has passed away a lovely fun memory popped into my head. When I was 10 or so during the summer, I would hike down the bluff though the woods to Highway 61. At that time there was a city bus stop. I would get on the bus that took me downtown St.Paul. I would wait until Uncle Denny's bus would stop to pick up people. I would ride on his route and we would chat, laugh and enjoy the time together. With a huge smile and a wave I would take the city bus back towards my side of town. He never informed my parents about our visits on his route. It was our little secret. Back then we just had to be home for dinner. I am smiling while I write this. His smile, and love will be missed. Take care Auntie Carol, Wayne and Ellen. Sending love and hugs to our entire family. Wendy*

“ We met the Gilsons' in sunny FLorida where we all shared beautiful "warm" Winters together trying to escape our cold weather in our different states. I would pass by on the sidewalk and see Carol & Dennis enjoying the sunny weather and great sunsets. I was always welcomed in and would sit and talk about many subjects. Dennis surely was enjoying his retirement on the front porch and would chime in once in awhile with our conversations. We are truly honored that God put us in the same Villa Quad in Florida to become great friends. Dennis will be remembered in my heart forever. Once Strangers becoming Great Friends !
