“ *I had the opportunity to meet Denny in the 70's and got to meet his family. Staying in touch with him was easy as he is related to my SIL, Sandy Sharpe. He and I were able to catch up on life and family. He and his brothers and sisters were a tight knit family with whom he loved so much! He will be missed, sorely missed... But, he will be rejoicing in his reunion with those who have passed before him and will eternally hold each and everyone in his heart until you meet him up in Heaven.*
