“ *One of my greatest memories....*

Every summer Dad (Roger) planned on us staying with Uncle Dennis/Aunt Barb. We were always spoiled on those visits. Then on one of those nights, the other Uncles/Aunts would visit and they would tell tell the old stories of growing up. We laughed so much on those visits. Those are the memories I hold dear to my heart. On the night I heard he passed, I asked Dad to welcome him home.

Uncle Dennis you are loved so much. You have left an imprint on all our hearts.

Love your niece,

Lori
