“ We are very sad to hear of Denny's passing. We have many happy memories of 30 plus yrs ago on Woodbine LN...."in the old days".Denny, you and I both had Ford Country Squire station wagons..you were there to custom fit and color the piece of carpet needed to keep kids comfortable in the back before seatbelts became fashionable. You also worked a deal on vinyl and carpet as well as the installer John Friedman for us. I remember our Indian Guides days....Grey Fox for you and Red Fox for "Dougie".....Eric and I were Big Bear and Little Bear.....We are pals forever

“ Dear Deb and Matt, Jared and I are so sorry about the loss of your dad/grandpa. He is gone, but you and your family will continue to be in our hearts and prayers. We hope it will bring you great comfort to know that your dad/grandpa is in that beautiful place that Jesus prepared just for him. (John 14: 1-3). Let our Lord and Savior hold you close and wipe your tears. Love, Sandy and Jared Driste
