

## Diana Lee Barrett

July 28, 1940 - September 24, 2022

Diana Barrett, of Minneapolis, MN, passed away peacefully at the age of 82 on September 24, 2022.

Born in Oakland, CA, but moving many times as a child throughout the Pacific Northwest and Midwest, she finally landed in Minneapolis where she met her future husband, Leon - with whom she spent over 35 years with before he passed in 2003. Their bond was strong, and her memories of their time together never faded.

While primarily a stay-at-home mother, Diana would occasionally volunteer to tutor at the local elementary school, sharing her love of reading with young children. Throughout her life, she enjoyed crafting, traveling the globe, playing cards, and seeing live theater. But her love of history and culture made her an avid reader - a stack of books always at the ready.

Diana is survived by her two children, Beth Ann (Paul) Nylander and Roger (Sam Beberg) Barrett; her favorite "grand-dog", Dixon; and her sister, Bonnie Roth.

In lieu of flowers, donations in Diana's memory may be made to the Arthritis Foundation.
