“ Diana was always such a ray of light. She always had such wisdom, and would always say “let’s look at the other persons perspective “. Always giving everyone the benefit of the doubt. Mentoring me, wether it was at work or in my life. She has a huge part of my heart.

“ How do you say goodbye to a beautiful friend of 51 years who was more like a sister?, I am so heartbroken!
Diana & I met when I moved into her neighborhood on 7th Street in Fridley when we were 11 years old. She walked up the street & introduced herself & being that we were the same age, we started hanging out together. We became fast friends and experienced many of life’s joyous times together. From graduation to weddings to babies & everything in between, then came out children's Graduations, weddings & babies. Such a wonderful life of shared confidences & fun experiences & lots of lunches & dinners, how I am going to miss you dear sweet lady! I so loved you & cherished our friendship always....we never had a bad word between us. You were so blessed with Tom, your wonderful husband & your beautiful children & their beautiful spouses. You had 3 beautiful grandchildren, with a fourth on the way....oh how you hoped to be here for the birth in June. But alas, it wasn’t to be, God needed you for his beautiful angel in heaven. Now you can Rest In Peace & suffer no more. You will be so missed, but I am grateful for the 51 years of our incredible friendship. I loved that we were mistaken for sisters quite often.

Please watch over all of us from the Heavens & please give my dad a huge hug from me💕. Until we meet again...all my love to you always. You were the best!

Love,

she was my grandma I loved her so much and passed away when I was 5 I am now 12 and think of her a lot I miss her so much and wish she was still here with me right now she was the star of our family and she never got mad at me if I did something wrong and I still remember when her hospital bed was in her living room and she braided my hair I would give anything just to see her again and give her one final hug and tell her I love her.

“ *What a lovely friend I made when our two children joined their lives just 2 years ago. Diana and Tom raised three wonderful children and I am honored to have them as a part of our family. Diana, you were the BEST mom Heather, Kent, and Russell could have ever dreamed of. Just ask their lucky spouses! May God bless you, Tom, and all of the kids as you mourn your immediate loss with hope and faith that life will one day soon be filled with the joy that Diana would want you to have and live. Hugs and much love, Carol Kaiser Milan*

“ *I've known Diana since kindergarten at Parkview Elementary in Fridley, MN. We both never really left Fridley and the last I visited with Diana, she beamed her beautiful smile and showed me around her great home. She was always beaming when talking about her kids and worked hard always, enjoying time up north whenever they could. Many thoughts and prayers to all your family! David and Wanda Hart*

I AM SO SORRY FOR YOUR ENTIRE FAMILY. I'VE SPENT MANY HOURS IN A COLD ARENA WITH DIANA AND ENJOYED EVERY ONE OF THEM. THE PAST FEW YEARS, IT WAS USUALLY GABBING AT TARGET OR CUB. TRULY A GREAT LADY.

PATTY HENDRICKSON - February 20, 2019 at 12:15 PM

My thoughts and prayers are with Diana's family. I knew Diana in elementary school. She was my first friend who didn't live right in my neighborhood but maybe eight blocks away. I remember going to her house for the first time and feeling very grown up being so far away from home and with my exotic new friend. It's a sweet memory of such a sweet person.
