October 1, 2013

Lucas, Diana (Solie) age 51, of St. Anthony, died 10/1/13, 13 months after being diagnosed with metastatic ovarian cancer. Diana is survived by her husband, Mark; son, Andrew; parents, Ken and Jeanette Solie; brother-in-law, Bret Wieman; and nieces, Leanne and Stacey Wieman. She was preceded in death by grandparents, Raymond and Jewell Darland, and Ed and Helen Solie all of Duluth; and sister, Laura Solie Wieman, in 2009 (breast cancer). Diana was born 5/20/62 in Ames, IA and graduated from St. Anthony High School and the U of Minnesota. She was currently working at Medtronic and wants the company to know how appreciative she was for their support and concern. Diana was a smiling, funny, caring, creative person who loved gadgets, purses, popcorn, cruises, casinos, Sanibel beaches, and growing orchids, violets and cacti. She always had poodles in her life whose love brought her constant joy. But, Mark and son Andrew were the love of her life. Her family meant everything to her and they will miss her terribly. A special note of appreciation to Mercy Hospital staff, especially RN Trish Owens on 2E, the chemo nurses at MN Oncology, and Dr. Annie Tan and her team. Thank you to Diana's "team" of special friends who surrounded her with love and solace. A gathering with refreshments will be held at Nativity Lutheran Church, 3312 Silver Lake Rd., St. Anthony, at 3:00 on Tuesday, October 8th with memorial service at 5:00. Memorials preferred to Charlene's Light for Ovarian Cancer, 13055 Riverdale Dr. NW, Suite 500-347, Mpls, MN 55448. www.Washburn-McReavy.com Northeast Chapel 612-781-6828
