

Diane Beryl Case

August 19, 1940 - September 17, 2017

Age 77 of New Brighton was called home early Sunday morning, September 17, 2017 after a courageous battle with Sjogrens and Muscular Dystrophy. Her last days were spent surrounded by the family she cherished, sharing memories, laughter and love. She considered herself blessed with the friendships in life and had many friends from the New Brighton Post Office where her husband Skip worked and at Flannigan Sales where she worked for years. Diane was described as the sweetest, most genuine, kind-hearted and selfless person. We find comfort in knowing that she is back in the arms of her beloved husband, Skip. Survived by her children, Mark (Sue), Kathleen (Mark) Strand, Kelly (Jeff) Hoppe, Byron (Wendy) and Todd (Audra); 10 grandchildren; 10 great-grandchildren. Preceded in death by her husband of 42 years, Ora "Skip"; parents, Percy and Beryl Robinson; brother, David Robinson. Funeral service 6:00PM Tuesday, September 26 (visitation begins at 3:00PM) at HOLCOMB-HENRY-BOOM-PURCELL, 515 Hwy. 96 W., Shoreview. Private family interment at Fort Snelling National Cemetery. Memorials may be made to the Cystic Fibrosis Foundation, 100-6th St. N., Suite 604A, Minneapolis 55043, a charity close to Diane's heart in honor of her granddaughter, Sweden Strand. She was a true angel on earth. While we are deeply saddened by her loss, we will be forever blessed by her memory.

“ *Your Mother was a lovely and very kind person. When I think of your Mom, I see her smiling. I delivered mail to your Mom and Dad for many years, and I would see her from time to time. She always had a smile and a kind word for me. The happy thought is your Mom and Dad are together again in Heaven.*

Paul Trupia - September 20, 2017 at 12:00 AM

“ *I am so sorry for your loss. Please accept my condolences. I would like for you to know in God's Word the Bible it tells us about the resurrection found at John 5:28, 29. These words has comforted me, I hope they will do the same for you at this difficult time.*
