“ Dear Matthew,
I have just heard the news about your mom and send my most heartfelt sympathies. It's very hard to lose both parents close together, and I hope and pray you will find the strength to build your new life with the help of family, friends and your faith. It has been a number of years since we last had a Nelson family get together at Perkins Pancakes; the photo is dated May 2011. But please know that your family on the Nelson side is thinking about you and we will help if we can in any way. With fond memories of you and your parents, Lynn Marcell Carter

“ For Matthew, It has been a while since we saw each other, but I want you to know how sorry I am for your loss. My father was your father's cousin, so we knew you when you were little.
With Deepest Sympathy,
Lise Marcell

“ I am so shocked and saddened to hear of Diane's passing. We had talked by phone many times in the last year and I had been worried when I could not get hold of her. I am so sorry for your loss. Diane was not only a relative to me but a friend and such a wonderful hostess to us every time we were in Minnesota. We even enjoyed a trip together to the North Shore.
