“ I had the privilege of driving the "Smister Sisters" (Di and Pam (Hanson) Ahrens) to a few of their gigs during their senior year in High School. They were the best.

“ Will never forget our early years living in Minneapolis on 3542 Garfield ave . We all lived in a 4 plex , Diane and Dave lived right above us !! What amazing years that was living in a Christian community , (Servants of the Lord)
Diane was an amazing woman , smart as a whip , I gleaned from her in so many areas .. from keeping the family budget to canning ! But most of all she loved the Lord , and used her gifts to bless others ! We didn't have the privilege of raising our kids together but Dave and I will always appreciate those early years together.
