“ My Loving sister. With all the times we shared the up and downs raising our children, we stood by one another. We laughed, we cried, but always there for each other. I will miss you so much and will meet you in Heaven, I was there for you Dee-Dee as I told you I would. Not as soon as you wanted, but I never let you down. I Love you for your strength that you have given me. Your sister (BIG BUNNY), Bernice
