“ I met Diane and her husband, Doug, two years ago at their Clear Lake, MN home when I was helping my cousin to close up my Aunt's place. My Aunt Dorothy lived right next door to Diane and Doug for several years and I heard many stories from my cousins, Ron & Kathy, about how good Diane and Doug were to their mother, and that they didn't worry so much knowing Diane and Doug were looking out for her. When I met Diane and Doug, I knew instantly that they were special people, kind, fun and giving. Diane was so good to us, offering her help, giving us food, and even hosting a bar-b-cue so we would have some good food while we were there. My heart is broken that Diane is gone from this world but she is undoubtedly in heaven with all the other angels. Condolences to Doug and family. God Bless! Marilyn Davis of Chula Vista, California.

“ Anne and I met Dianne 11 years ago when we started wintering in FL. We shared many meals --birthday parties and banana splits before we parted ways to go home each spring. She was a very special friend.

You will be missed Diane. I have known you all my life and my mom and you have been best friends forever. You always brought out the best in my mom. I always loved to listen to you two when you were together. So many good times Thanks for all you have done. God Bless you and your Family.
