“ *Our sympathy to Diane's children and grand children along with Denny, Sue, Barb and Liz. The McNamara and the Voth kids had a special bond growing up. Our mothers spent hours drinking coffee and visiting that gave us time to play. She was a clone of her mother. Both Special Ladies.*

“ Diane was a first cousin of mine that I have many fond memories of. She loved to laugh and pick on people. Even fonder memories of Diane and her sisters who were partners in mischief and other cajoling. Those who knew Diane will certainly miss her smile and radiant personality. Years have escaped us all, a sad void now resides in the hearts of many. Condolences from Steve, Sharon, Bryan, Shannon Mergen Adelman and Jennifer Mergen Anderson.

“ I would be a first cousin from the Patch Grove area, Bill Mergen. Ken and Dorothy were my godparents. I met Heather while she was doing some auditing I believe in our Baraboo office probably 20 years ago. You have my condolences and prayers.

“ Diane sure liked to laugh. Always had a smile on her face. She loved her Grandchildren and was very proud of her children. I was a neighbor to her when she lived in Prior Lake. I once joked about the swamp we had behind our houses. She corrected me stating it was a wetland. I will truly miss our twice a year meetings. Heaven is now a greater place with you there.
