“ *So sorry for your loss. I just talked to her about 2 weeks ago. We talked for a hour. I can't believe she has gone. She was a caring, beautiful lady inside and out. She is in good hands. I will miss her. God loves her and you. Blessings and prayers to the family.*

“ *Diane Zeik has been a treasured family friend of ours for nearly her entire life. I always sent a Christmas card to Diane ,Larry to let them know how loved they both were to our family. She always responded in kind. Whenever we needed life changing advice or a shoulder to cry on Larry and Diane were always there for us. Diane backed up her words with action. She lived her faith serving others. My family was just taken over with grief when Larry called us with the news that Diane had passed away. There will be always be a void in my family and extended family with this very tragic loss. She is a child of God and God will gladly accept Diane into his kingdom. May we keep Diane’s memory alive by remembering her and how she served others. What a beautiful person she was inside and out. She is now living eternal life with the lord which her faith promised her. Diane be in peace. Love, David And Barb Velner*
