"A Prayer" by Ted Watson

"Dear God, every day I would like to praise you, thank you, and ask you that I might better learn. To forgive others and to forgive myself. To laugh at little mistakes and not to blame anybody for bigger mistakes. To love my children and friends for what they are and not necessarily to be understood. To demonstrate by example and acceptance and not by instruction. To stand for a principle but allow for differences. To learn satisfaction from within and not necessarily approval from others.

Most of all, help me to better schedule my time so that I have time. To praise you for your presence and daily guidance, to thank you for the miracle of life

and the opportunity to participate in that miracle. To thank you for good health, the beauty of nature, and for your love and the love of people. May the Holy Spirit be with me today, tomorrow, and forever. Amen" - Ted Watson

“ *I was thinking of sweet Dianne many times since working with her. I was just told by another friend that she was thinking of her as well and found her obituary. Loved your laugh. Loved your friendship. May you rest in peace my friend.*
