“ *I was blessed to know Dianne as a colleague, boss, friend and fellow dog lover. She was fun, she was an inspiration and simply a warm genuine human being. “ *To the family of Dianne: As the Local President of the Minneapolis Area Local of the American Postal Workers Union for the last 15 years I had many occasions to meet with and interact with her as a labor relations specialist and then as the labor relations manager before she retired. She was one of the most intelligent and interesting people I've ever had the opportunity to work with (and go against) in many years of dealing with postal management. Many good memories (and stories) were created but the one lasting piece of what i have to say here is that she always had the respect of those of us in the Union who had to resolve disputes and work on "preventative" measures with her or her staff! I will always miss think of her wit and enjoyed her presence immensely!*

“ I use to work with Dianne on occasion and dropped by her office every now and again. Loved her opinions and her matter of factness...and who could forget her wisecracks. She always made me laugh. Take care, June

“ I was looking through garden photos earlier this week, and my thoughts came round to Dianne and her love of garden flowers. I have missed her laughter at trials, and hoped I'd share a laugh with her again. We weren't close friends, but I so enjoyed and admired the spirit she added to agility weekends. To all who loved her, my condolences.
