“ *Our deepest condolences on the loss of your husband, father, grandfather. I will always remember his welcoming smile, his warmth that always made him feel like more a member of Holy Anargyroi than a visitor. I will remember his good-natured, upbeat, get-it-done nature when helping our at our GreekFest and even at the Dells. It's like he saw us as one big church family. There is much of him in each of you. May his memory be eternal.*
