“ Dina and I served together on Wood Badge Staff and also on our Exploring Service Team. Marco and my son Paul went to the Jamboree together. She was fun, cheerful in the face of adversity and always willing to help others. She exemplified the scout Oath and Law and will be deeply missed.

“ I was lucky to work with Dina at PreferredOne for several years. Dina always greeted everyone with warmth, a genuine smile, and stories about her cherished family. Dina had a special way of making people feel seen and valued—you never felt like just a coworker, but a true friend.

“ We, like so many others, met Dina, Angie, and Marco through Scouting. We became fast friends with Dina, as she had with just about everyone. Dina loved deeply, cared thoroughly, and possessed a heart far greater than her very being. Our deepest condolences to her family for this profound loss. While you may walk your individual grief journeys by yourselves, there are many of us on nearby paths, and where they intersect, you will find you are never alone. Rest well, Dina. #gonehome❤️

“ Dina was a tremendously fun high school friend! She'd have Sat night parties in her parents' basement while they were out for the eve (often cut short after they shockingly returned home early); organized fan caravans when Hill-Murray made the baseball state tourney; and revved everyone up when we made numerous hockey state tourneys. As a former Boy Scout, I also appreciated her active involvement in scouts and similar activities later in life. Wonderful person! Hilarious, fun, and a true friend to many. Cheers and prayers for Dina and her glorious extended family. :))

“ Dina and I met when we were teenagers up at Bone Lake. She was in the bay next to me. We became such good friends, I would stay at her house in Roseville. I was shocked and so sad she passed away. So young and so loved by many. I will cherish my memories with her forever.

“ *Dina and I worked at RBC together for a few years and I got to know her very well. She was always full of joy and laughter. We joked around al the time and she was one of the first to welcome me when I started there. So sad to hear this news.*
