Dinesh, our Banevi was one of the finest creations of Nature - simple, friendly, humble, understanding and more.

Banevi came amongst us for some purpose and having fulfilled his purpose has departed on an eternal journey to the land of many temples, eternal knowledge and eternal bliss.

A couple of weeks from now I called, He accepted the call and said that he would call later.

A great misfortune for us, Some jealous god in the heavens conspired and we failed to get an opportunity to talk.

Having faced severe medical issues over the years, I must say that Banevi faced his medical issues very valiantly for nine long years,

At this particular moment, we are thinking of Hansa and her family. Hansa is a brave girl and I am very sure that she will face the adversity very valiantly.
