

## Dodie Marie Green

April 15, 1961 - February 18, 2020

Age 58 of St. Paul, passed Away February 18, 2020.

Survived by her husband of 40 years, Jamie; sons, Jimmy (Willow), David and Jason; granddaughter, Synthea; father, Patrick Duffy; 7 siblings.

Preceded in death by her mother, Mary Duffy and 2 siblings.

Co-owner of St. Paul Bagelry. Amazing wife, mother, grandma, sister and friend.

Memorial service 2:00PM Friday, February 28 (gathering begins at 1:00PM) at EMMANUEL CHRISTIAN CENTER, 7777 University Ave NE, Spring Lake Park. Memorials preferred.

Dodie was loved by everyone because she loved everyone. She would give you a bed to sleep in and the shirt off her back for a blanket. She was everyone's friend. Everywhere we went it seemed like someone knew her. She touched so many lives in so many different ways.

Dodie always wanted to help. If you reached out she was there at the drop of a hat. She was an amazing wife. Jamie was always happy as long as Dodie was nearby. He knew he was going to marry her from the moment he laid eyes on her. They were an incredible team!

She was a natural mother. It seemed so easy for her. She could take any problem and find a solution and turn it into something positive with ease. She was the best listener and the best shoulder to cry on. She gave amazing hugs! She had an incredible laugh, a beautiful smile and an incredibly loud voice. You could hear her from a mile away. Whether it was at a sporting

event cheering on her nieces and nephews or just calling her kids in to eat dinner from the park there was no mistaking her voice. Sometimes she'd cheer so loud it was embarrassing.

Dodie never judged anyone. Every person was equally important to her. She loved unconditionally. Dodie loved to dance and sing. She celebrated every day.

She was the best grandma. Thea loved her so much. They would paint and draw and bake cookies. She was an amazing baker! She was never happier then when she was with her granddaughter. She taught Thea compassion and love and gave her way too many popsicles.

She was a great friend and a great mentor. She was very involved in her church and dedicated to her faith. She truly was a modern day saint. Dodie will be missed by so many. But she would also want everyone to celebrate her life. Eat some cake, listen to supertramp and dance in the rain.

“ I remember Dodie with such fondness! We lived above you in the apartments on McKnight and I spent many hours talking and getting to know Dodie. She watched my kids and they always had a wonderful time. I have always wished we had stayed in touch, I know what a great friend she was,. So many prayers and hugs coming your way - remember the good times as I know there were many.

“Wow, I'm so sorry fore this tremendous loss. I met Dodie when I was probably 5or 6 years old my mom found this amazing person to provide before and after school care for me and I could walk to sunny side! I remember Dodie brining is down in the basement, the walls were painted bright yellow and I was hooked right away. It wasn't long before I was pretty sure this was my place bc who couldn't love Dodie! Her backyard was always full of toys and kickball games, kids from other daycare ma would come down the street to play with us. She was always upbeat and she instilled that in her boys. I remember when I was definitely old enough to not need daycare anymore I was heartbroken I couldn't keep going. But that never stopped me from riding my bike over to see Dodie. Then when I got older I invited her to my wedding bc she was that important to me. Dodie was an amazing person and I know she is enjoying her new life.

“I was so blessed to have Dodie as my BSF small group leader a couple of years ago. Everything written about her personality was so true! She was fun, funny, adventurous, and wise. She talked so proudly of her family-her husband, boys, dad, sister and of course her beautiful granddaughter. She also shared her love for Jesus which played out in how she saw others. What a beautiful human being. Dodie has left a void that no one can fill and she will be missed by so many. I'm praying that for those who don't know Dodie's Jesus, that they may seek Him, during these difficult days and be comforted by the One that Dodie served so well.
