“ *I'm so glad I got to know Dee at our time  
together at Legacy. Always a cute smile  
peering over at me at my Dad's table. Her  
eyes smiled as well as her mouth. She had an  
aire about her, head held high, like a  
ballerina. Dee's warmth and charm drew people to her, I would see  
them sitting with her often. My Dad and I were blessed to celebrate  
Dee's 95th (?) birthday together with delicious purple cupcakes.  
Dee - you have touched our hearts! ~lisa mckenney*
