“ It was an honor to take care of my Mother unconditionally for 5 years until I couldn't anymore. She had to go to Long-Term Care in January 2026 and passed away peacefully on Friday, May 29, 2026. I was with her the night she passed, so she was not alone. Even when she went to Long-Term Care, I still took care of her by being supportive, loving, being her advocate, and visiting with her every day. I spent many nights in the recliner to calm her fears and keep her company. My Mother was my best friend, my confidant, and she was my whole heart. I miss her. You are with Dad and Phil now, Mom. Rest in peace forever and we will meet again one day. Love you always. Your loving daughter, Barb.

“ Way back when I was about 12 years old, the same age as Barb...and it was very early in the beginning of our friendship, Barb & Dee were on the edge of the lake catching frogs. The two of them were laughing and carrying on about catching those frogs. I never knew that frogs could really be eaten and some people actually like them. To this day, I have never tried frog legs, despite lots of urging by Dee & Barb to try them. Another thing I will remember about Dee is that she was agreeable to some fun ideas. Like the time I was at their house and Dee let us paint Barb's bedroom Egg Plant Purple. It turned out pretty cool but again, was something I would never have thought of on my own. She was definitely one of a kind and I will never forget her. We always had a lot of laughs when I was with Dee & Barb. Rest in Peace, Dee. You will be missed. ❤️
