“ Don and Edmae were great neighbors. As soon as I moved in, Don did everything he could to make me feel welcomed and was always helpful. He supported the block parties and special projects. I was so grateful that Becky brought him to last year's National Night Out pot luck picnic. He's been missed. Though sad, it's helpful to know he's now at peace and his family no longer has to worry about him. I was glad to know him.

“ Becky and Bruce,

Your dad was obviously a wonderful man, as he raised both of you so well. I know you will treasure all your wonderful memories of him. He and your mom are together again. My condolences.
